

Hello you. Welcome!

We want you to have nothing but a good time at FINCH, no matter what is going on in the world. We're always looking out for your health and safety. Our team is trained to strictly follow the (covid-19) health and safety guidelines from the Dutch government. Please read below how we keep our hotel clean and you safe.

safeguards.

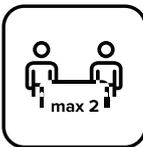

In general

- Please adhere to the social distancing measures (1.5 m)
- We have hand sanitizer ready for you, please sanitize your hands upon entry.
- Wash your hands often. Preferably also before leaving your room.
- Payments by card are preferred.
- Use the night exit (we'll show you) as much as possible as an exit.
- Please only ride our elevators with people you are rooming with.
- We encourage you to use the elevator to go up. And the stairs to go down.
- If you have a cough, fever or symptoms of COVID-19, please stay at home.

In our bar

- The yellow markings on the floor indicate a social distancing walking route.
- Our tables are spaced according to social distancing regulation.
- Only families (shared households) are allowed to sit together with more than two persons at a table.

Hygiene measurements.

- We have tightened our cleaning and hygiene procedures, including increased cleaning across all surfaces and touchpoints.
- Our employees wash their hands at least every 30 minutes.
- We have placed a transparent plexiglass screen at the reception.
- Sanitizer and 70% alcohol pads are available. Please ask us.
- We clean objects that we touch on a frequent basis. If you feel like anything needs an extra round of cleaning to feel more comfortable, please let us know.

We'd like to thank you all for your ongoing patience, optimism and understanding these safety measures. Have a great stay!
